

18 Fellows Program

In 1996, the Allegheny County Bar Foundation established the Fellows Program as a formal means to:

- Recognize and honor attorneys who have shown a commitment to excellence in charitable, community, professional, and/or public service activities.
- Recognize a level of professional distinction in the legal community based on significant contributions.
- Create an endowment for bar foundation programs and foster new and innovative programs.

- Create an organization of members who recognize and accept the Bar's on-going challenge to fund public service activities.

Fellows pledges, in the amount of \$1,000, are to be paid over a four-year period. These pledges support the foundation in two important ways. Fifty percent of each pledge helps build the foundation's Endowment. Interest income from the Endowment supports the foundation's

initiatives to enhance the delivery of pro bono legal services to low-income clients in Allegheny County. The other fifty percent of each pledge helps grow the foundation's Grants Program.

SUSTAINING FELLOWS

In October 2001, the Board of Trustees initiated a new level of support for the Fellows Program, the Sustaining Fellow. This program continues to recognize a commitment to excellence in charitable, community, professional, and/or public service activities, and a level of professional distinction in the legal community based on significant contributions. Sustaining Fellows pledge an additional \$1,000 to be paid over a four-year period. As with Fellows pledges, Sustaining Fellows contributions also support the Endowment and help grow the Grants Program.

In spring 2008, the foundation spearheaded a successful appeal for new Sustaining Fellows. The initiative resulted in thirty-six Fellows pledging to become Sustaining Fellows. Through their increased donations, these generous individuals were instrumental in helping the foundation expand its Grants Program which awarded a record \$40,000 in grants in early 2009.

PATRON FELLOWS

In conjunction with the "Building Bridges to the Future" Campaign to strengthen the Endowment, the Foundation Board of Trustees introduced the Patron Fellow level of support in September 2005.
