

Volunteers Needed for ACBA Backpack Project

For the past few years, the Allegheny County Bar Association's Public Service Committee has sponsored the Backpack Project. The ACBA Backpack Project is a group of volunteer attorneys in the Bar Association who have arranged for the donation of brand new backpacks filled with school supplies to school children in need.

We are in need of volunteers for staging, packing and distribution of 1,000 backpacks in August 2011. Please email Angel Revelant (arevelant@pollockbegg.com) if you are able to help with the day/time/location you are available!
